

2014 MSBOA District III Band & Orchestra Information

The MSBOA District III Band & Orchestra Festival season is now upon us. As we continue to prepare for our performances, it is very important that everyone understands the upcoming performance schedule as each performance for your respective ensemble(s) is required. All performances (Pre-Festival and Festival) will take place at Carman-Ainsworth High School in the Auditorium. Regular concert attire is expected by all members.

Please remember the importance of Festival as this is the “MME/ACT” of the music world. I look forward to another great Festival season and wish you all the best as we continue with our preparations.
